

Take part in a social learning experiment and be rewarded with a voucher for your lunch!

As part of the study, participants will be asked to complete two small tasks, each taking around 10 minutes, and fill in a short questionnaire afterwards.

Both tasks will be explained fully on the day, but one will be an independent task, the other guided by a video.

The experiment will be related to early human technology with the exact task revealed on the day so as not to compromise the experiment.

There will be four experiment sessions taking place;

Tuesday 5th July 12:45 – 13:15

Tuesday 5th July 13:15 – 13:45

Wednesday 6th July 12:45 – 13:15

Wednesday 6th July 13:15 – 13:45

The experiment will take **under half an hour** and you will be rewarded with a **£4 voucher** which can be used at any of the YUM cafés on the campus.

Please sign up for your chosen session during the **morning coffee break** or come and speak to me if you would like to know more!
